Position: -----

Your advertisement of job vacancy issue caught my attention. I would like to apply for vacancy announcement at your organization. I have Bachelors Science degree in computer science from Mekdela Amba University, 2025 G.C with a CGPA of **3.53** and National Exit Exam passed to **76%**. I have taken on relevant course related to my profession. Recently I have completed my last year project. This undertaking allowed me to improve my planning and problem solving skills. And I believed that the four year education will make me competitive candidate for this position. Hence I am ready to show you my due diligence in the respective position you assigned me. Moreover, I can assure that I can back up my knowledge and carry out tasks which could be given to me. I have developed an excellent communication skill at university, and I was used to give speeches on behalf of our team members on important presentations. I am conscientious person who work hard, pay attention to detail, able to work well with others and stay on top of the latest technologies. I am flexible, adaptable, and quick to pick up new ideas and skills and take action, and eager to learn from others. Details of my qualification are in the enclosed CV. I would very much like to arrange written exam and interview. I hope that you will give me the opportunity to work at your organization I am looking forward to meeting you as soon as I am considered to further discuss my qualifications.

If you consider that I am suitable candidate for the position, I would be very glad and you will call me in institutions. Thank you for taking the time to read my cover letter.

Yours Sincerely,

Kananisa Dereje Daba
